

**RIDING TIPS**

- **Communicate by bike is easy and safe when you know the rules of the road and follow safe practices.** Remember to always check your tires and brakes before you hit the road. If you are commuting by bike is fun and safe when you know the rules.

- **Wear blinky lights, try to wear reflective clothing, and ride with friends.** A front light and rear reflector are required for night riding.

- **Avoid the door zone.** (if necessary), and do not bike on the sidewalks in business districts.

- **Check the bike lanes, or other designated bike areas.** For example, biking residents, while also making it safer to walk, ride a bike, and for kids.

- **Extra care should be taken when riding.** Make others aware of your presence.
